

OBITUARIES

Brynn Carson (December 1, 2024)

Brynn had been a Designated Lay Minister with Porcupine United Church and recently retired. She will be greatly missed by her friends and family, the youth and all those she connected with in her wider community. We celebrate her many ministries with The United Church of Canada.

Beatrice “Bea” Webb (February 8, 2025)

We celebrate Bea's many years of service to The United Church of Canada, remembering her as a mainstay in her home congregation of Porcupine United Church, and acting as their elected Regional Lay Representative in Canadian Shield Regional Council. Bea's unwavering faith and dedication were evident in her time working within Cochrane Presbytery, Spirit Dancing Presbytery, and Canadian Shield Regional Council. In her earlier years, Bea also served as the Camp Director for Camp Lorrain, where she touched the lives of many with her leadership and compassion. Her experiences in camping and youth ministry inspired years of service to come. She played a role in developing networks for mission and advocacy for justice, and was deeply involved in discerning and allocating grants for the presbytery, conference, and regional council. Bea was passionate about connecting faithful stewardship with mission and ministry opportunities, leaving a lasting impact on all who had the privilege of serving alongside her.

Bea is survived by her husband Bob, their children and grandchildren.
